

SEE YOUR IMPACT

Work on what's really meaningful, alongside the best in the field, and have a lot of fun doing it. At Quantum you will:

Experience

work on the cutting-edge solving some of the toughest problems

Learn

with industry-leading tools with the best and brightest

Progress

professionally and personally in a fulfilling and future-focused career

Belong

to a culture where you are valued, stimulated and proudly wear the t-shirt!

Enjoy

flexibility, great benefits and the little thoughtful extras

See your impact grow

Join a genuine leader, chosen by iconic organisations across the world to solve their toughest challenges.

This is your opportunity to harness the power of data science and AI to determine what's happening now, predict what's next and prescribe what's needed to unlock transformational growth across almost every sector.

Enjoy unparalleled opportunities to increase your knowledge, skills and impact.

This is your opportunity to work with the best in analytics and engineering on exciting datasets using the most advanced tools. Be part of a culture where you're stretched to reach your full potential.

You're smart and going places – our job is to help you get there quicker.

This is your opportunity to join a business that's both passionate about home grown talent and expanding fast. That means more new experiences and great opportunities to progress as soon as you're ready!

Life is too short to waste time in a culture you don't love.

At Quantum, smart, fun, diverse and passionate people can really make a difference. This is your opportunity to clearly see your impact and have a great time doing it in a culture that thrives on transparency, honesty and connectivity.

Work has to work for you. Modern life is fast paced and balance can be tricky.

This is your opportunity to enjoy the flexibility and support you need, along with exceptional perks and benefits.
